Welcome to My Portfolio

This is my personal student portfolio website created using HTML and CSS.

About Me

I am a computer science student with a strong interest in web development. I enjoy learning new technologies and improving my technical skills. This portfolio represents my academic journey and projects. I aim to build efficient and user-friendly digital solutions.

Skills & Projects

HTML & CSS

Used for designing and structuring web pages.

C Programming

Strong understanding of logic and problem-solving.

Student Projects

Mini projects developed during coursework.
